- Coordinates and supervises the activity of circles and clubs organized for spiritual and educational purposes;

- The institute ensures wide participation of the institute's team and students in public events, landscaping and beautification works.

Spiritual education and cultural education also put stress on depth of experience. The three major parts of art, i.e. Music, art and poetry becomes a vital card in contributing for spiritual education because color, sound and word is nearest to a person.

Religions teach us how to differentiate people on behalf of their caste, color and status but spirituality teaches us how to be kind to everyone irrespective of caste. Religions give us riots and discrimination but spirituality provides us a peaceful environment. It is very easy to identify a spiritual person.
